MDHI application for 100 Days Challenge with A Way Home America

PSH Lease-Ups: Still at 12, ramping up outreach

Congregate Housing Pilot at CCH: renting single family homes, leasing up participants with individual leases, x15 properties potentially, 4BR/3BA house leasing up in May

RRH for Youth: Pathfinders QBLOK program in Milwaukee, large LGBTQ population. Brain is still developing, want flexibility to move/not necessarily so set on permanence, Housing First model works for Youth RRH because of flexibility of different levels of need. Creating a master lease termination, matched the youth with mentors who aren't staff, step up to PSH if needed. Youth tend to have longer RRH subsidy lengths than adults

A Way Home America: 100 Days Challenge. Youth-advisory driven, technical assistance driving for a surge of housing youth over 100 days. Will help us identify existing resources and expand process evaluation.
